

Looking Ahead

We are committed to keeping you updated with the latest developments regarding our live conferences and CME activities and will continue dedicating ourselves to providing advanced practice providers high-quality educational programs.

Currently, we are moving forward with live conferences as planned, but if we change to a virtual conference, we will keep you posted.

As we move forward with holding our live learning conferences and with COVID-19 being a fluid and evolving situation, the safety of our attendees and staff is our top priority. As we monitor the situation closely, we must all do our part in slowing the spread. We are taking ALL necessary precautions to protect the safety of our healthcare community and have implemented the following healthy hygiene protocols at each venue based on federal, state, and local health authorities; the Center of Disease Control (CDC) and World Health Organization (WHO) guidelines:

- Routine cleaning and disinfecting in all public spaces including high-touch surfaces with EPA approved products
- Adhering to state guidelines regarding quantity of people in venue at one time
- Provide hand-sanitizer stations throughout designated public areas
- Provide gloves and masks for all attendees, staff, and faculty
- Practice social distancing in registration area, all conference rooms, and exhibit hall
- Meals and refreshments served and distributed with minimal human contact

If you have any questions, please don't hesitate to contact us at info@horizioncme.com.

Thank you for your continued support of APP Oncology Summit!

Brian Lee
President, Medical Director
Horizon CME
